

The British School Manila is seeking a new intake of high calibre scholars to follow the International Baccalaureate (IB) Diploma.

We would like to invite graduating high school students, born between 1 September 2003 to 31 August 2004, and currently studying in the Philippines to apply for scholarships to join the International Baccalaureate (IB) Programme from August 2020 until June 2022

Scholarships will be awarded on the basis of the student's academic performance and on the positive impact that the student will have upon our school community. This impact could be in Sport, Music, Art, Drama, or Service Learning; we are also looking for those with particular passions or talents that can add value to the life of our school beyond these areas.

The first stage of the application process requires interested applicants to submit an up to date transcript and 650 words handwritten essay in response to the prompt below.

BSM's reputation draws from its high emphasis on maintaining a community spirit. It encourages all constituents to contribute to its community in a wide range of manners and scholars are no exception. If you were successful with your application, how would your contribution make BSM experience different because you were here? Please let us know what your past experience of community building is as well as how you measured its impact, and give us a peak at what you would hope to do at and for BSM.

In the second stage, shortlisted candidates will be invited to sit written examinations and to attend for an interview. The examinations will be held at the school on 05 and 06 March 2020 (Thursday and Friday).
